Interests

Appetite & Eating Behavior; Obesity & Treatment Mechanisms; Individual Treatment Response; Clinical Data & Digital Interventions

Education

Chung-Ang University

2022-03 ~

Bachelor of Science in Nursing

Seoul, South Korea

- Expected graduation: February 2028.
- Currently on leave after completing the third year; returning for the fourth year in Spring 2027.
- Cumulative GPA: 4.30 / 4.50.

Clinical Experience

Contract Staff, Infection Control Team

2021-12 – 2022-02

Pyeongtaek St. Mary's Hospital

Pyeongtaek, South Korea

- Supported administrative preparation and documentation for COVID-19 vaccinations.
- Reported information on individuals tested for COVID-19 by PCR to the local public health center.
- Prepared statutory COVID-19 case reports.
- Helped establish reporting workflows and trained new staff on related procedures.

Clinical Practicum

Period	Institution	Clinical Area	Grade
2024.02.26–2024.03.08	Kangbuk Samsung Hospital	Pediatrics Ward	A
2024.03.25–2024.04.05	Chung-Ang University Hospital	Thoracic Surgery Ward	A+
2024.04.29–2024.05.10	Eunpyeong-gu Public Health Center	Health Promotion Division	A+
2024.09.09–2024.09.20	Seoul Seniors Tower, Gayang Tower	Geriatric Ward	A+
2024.10.07–2024.10.18	H+ Yangji Hospital	Orthopedics / Surgery Ward	A+
2024.11.11–2024.11.22	Chung-Ang University Hospital	Emergency Department	A+

Grades reflect overall course performance; all courses used relative grading.

- Communicated with patients and families, measured vital signs, and gathered information about discomfort and care needs during nursing practicums.
- Adapted communication to children and older adults with differing communication abilities.
- Completed patient case studies as nursing coursework, using clinical records and relevant literature to develop nursing care plans. These were not formal research projects.
